

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal. All interested persons who desire a public meeting for the purpose of being heard on the proposed withdrawal must submit a written request no later than May 24, 2007. Upon determination by the authorized officer that a public meeting will be held, a notice of the time, place, and date will be published in the **Federal Register** and a local newspaper at least 30 days before the scheduled date of the meeting.

This withdrawal proposal will be processed in accordance with the regulations set forth in 43 CFR part 2300.

For a period of 2 years from the date of publication of this notice in the **Federal Register**, the public lands and minerals will be segregated as specified above unless the application is denied or cancelled or the withdrawal is approved prior to that date.

Licenses, permits, cooperative agreements, or discretionary land use authorizations of a temporary nature which will not significantly impact the values to be protected by the withdrawal may be allowed with the approval of the authorized officer of the BLM during the segregative period.

Authority: 43 CFR 2310.3-1(a).

Dated: December 28, 2006.

John D. Beck,

Chief, Branch of Lands and Realty.

DEPARTMENT OF THE INTERIOR

Bureau of Land Management

[WY-921-1050-ET; WYW 87233]

Notice of Proposed Withdrawal Extension and Opportunity for Public Meeting; Wyoming

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: The Bureau of Land Management (BLM) proposes to extend the duration of Public Land Order (PLO) No. 6650 for an additional 20-year term. PLO No. 6650 withdrew 20 acres of public lands from settlement, sale, location, and entry under the general land laws, including the mining laws, to protect the Sugarloaf Petroglyphs and Pine Spring Archeological Sites in Sweetwater County. This notice also gives an opportunity to comment on the

proposed action and to request a public meeting.

DATES: Comments and requests for a public meeting must be received by May 24, 2007.

ADDRESSES: Comments and meeting requests should be sent to the BLM Wyoming State Director, P.O. Box 1828, Cheyenne, Wyoming 82003-1828.

FOR FURTHER INFORMATION CONTACT: Janet Booth, BLM, Wyoming State Office, 307-775-6124 or at the above address.

SUPPLEMENTARY INFORMATION: The withdrawal created by PLO No. 6650 (52 FR 23549) will expire on June 22, 2007, unless extended. The BLM has filed an application to extend PLO No. 6650 for an additional 20-year term. The withdrawal was made to protect important educational, scientific, cultural, and recreational values of the Sugarloaf Petroglyphs and Pine Spring Archeological Sites, on public lands described as follows.

Sixth Principal Meridian

T. 14 N., R. 107 W.,

Sec. 27, E $\frac{1}{2}$ NW $\frac{1}{4}$ SE $\frac{1}{4}$ NW $\frac{1}{4}$.

T. 14 N., R. 109 W.,

Sec. 19, S $\frac{1}{2}$ SW $\frac{1}{4}$ SW $\frac{1}{4}$ SE $\frac{1}{4}$;

Sec. 30, NW $\frac{1}{4}$ NW $\frac{1}{4}$ NE $\frac{1}{4}$.

The areas described aggregate 20 acres in Sweetwater County.

The purpose of the proposed extension is to continue the withdrawal created by PLO No. 6650 for an additional 20-year term to protect the educational, scientific, cultural, and recreational values of the Petroglyphs and Pine Spring Archeological Sites.

The use of a right-of-way, interagency, or cooperative agreement would not adequately constrain nondiscretionary uses which could result in permanent loss of significant values and irreplaceable resources at the sites.

There are no suitable alternative sites since the lands described herein contain the resource values that need protection.

No water rights would be needed to fulfill the purpose of the requested withdrawal extension.

Records relating to the application may be examined by contacting Janet Booth at the above address or 307-775-6124.

For a period of 90 days from the date of publication of this notice, all persons who wish to submit comments, suggestions, or objections in connection with the proposed extension may present their views in writing to the BLM Wyoming State Director at the address noted above.

Comments, including names and street addresses of respondents, will be available for public review at the Rock

Springs Field Office, 280 Highway 191 North, Rock Springs, Wyoming, during regular business hours 7:30 a.m. to 4:30 p.m. Monday through Friday, except holidays. Individual respondents may request confidentiality. If you wish to withhold your name or address from public review or from disclosure under the Freedom of Information Act, you must state this prominently at the beginning of your comments. Such requests will be honored to the extent allowed by law. All submissions from organizations or businesses, and from individuals identifying themselves as representatives or officials of organizations or businesses, will be made available for public inspection in their entirety.

Notice is hereby given that an opportunity for a public meeting is afforded in connection with the proposed withdrawal extension. All interested persons who desire a public meeting for the purpose of being heard on the proposed extension must submit a written request to the BLM, Wyoming State Director within 90 days from the date of publication of this notice. If the authorized officer determines that a public meeting will be held, a notice of the time and place will be published in the **Federal Register** at least 30 days before the scheduled date of the meeting.

This withdrawal extension proposal will be processed in accordance with the regulations set forth in 43 CFR 2310.4.

(Authority: 43 CFR 2310.3-1)

Dated: February 7, 2007.

SUPPLEMENTARY INFORMATION:

I. Background

Section 101(c) of the Federal Mine Safety and Health Act of 1977 (Mine Act) allows the mine operator or representative of miners to file a petition to modify the application of any mandatory safety standard to a coal or other mine if the Secretary determines that an alternative method of achieving the result of such standard exists which will at all times guarantee no less than the same measure of protection afforded the miners of such mine by such standard, or that the application of such standard to such mine will result in a diminution of safety to the miners in such mine. In addition, the regulations at 30 CFR 44.10 and 44.11 establish the requirements and procedures for filing petitions for modifications.

II. Petitions for Modification

Docket Number: M-2006-080-C.

Petitioner: Black Beauty Coal Company, 13101 Zeigler 11 Road, P.O. Box 369, Coulterville, Illinois 62237.

Mine: Gate Mine, (MSHA I.D. No. 11-02408) located in Randolph County, Illinois.

Regulation Affected: 30 CFR 75.364(b)(1) (Weekly examination).

Modification Request: The petitioner requests a modification of the existing standard to permit the use of evaluation points in the Main East, North Side Intake entries due to deteriorating roof conditions. The petitioner proposes to establish evaluation point one at the No. 12 crosscut of the Main East, North Side Intake and the other evaluation point at the #50 crosscut of the Main East, North Side Intake. The petitioner states that by

monitoring the evaluation points on the pre-shift, examinations will provide the proper information to assure that the ventilation controls are in place and functioning properly; the pre-shift examination will be conducted by certified persons and will consist of measuring ventilation quality and quantity; and the results of the examinations will be recorded in a book kept on the surface and readily available to interested parties. The petitioner asserts that the proposed alternative method will provide no less than the same measure of protection as the existing standard.

Docket Number: M-2006-081-C.

Petitioner: Oak Grove Resources, LLC, 8800 Oak Grove Mine Road, Adger, Alabama 35006.

Mine: Oak Grove Mine, (MSHA I.D. No. 01-00851), located in Jefferson County, Alabama.

Regulation Affected: 30 CFR 75.507 (Power connection points).

Modification Request: The petitioner requests a modification of the existing standard to permit the use of high-voltage non-permissible, submersible pumps in boreholes in an area of its mine where water has accumulated which is not on intake air. The petitioner states that the pumps will be located within the boreholes, the electrical components of the pump will always be separated from the mine atmosphere, and the pumps will be under water continuously. The petitioner proposes to use the specific procedures outlined in this petition for modification. Persons may review a complete description of the procedures at the MSHA address listed in this notice. The petitioner asserts that the proposed alternative method will all times guarantee no less than the same measure of protection afforded the miners employed at Oak Grove Mine by the existing standard.

Docket Number: M-2006-082-C.

Petitioner: Rosebud Mining Company, 301 Market Street, Kittanning, Pennsylvania 16201.

Mine: Penfield Mine, (MSHA I.D. No. 36-09355), located in Kittanning County, Pennsylvania.

Regulation Affected: 30 CFR 75.1100-2(e)(2) (Quantity and location of firefighting equipment).

Modification Request: The petitioner requests a modification of the existing standard to permit an alternate method of compliance with the requirement for firefighting equipment at temporary electrical installations. The petitioner proposes to use two (2) fire extinguishers or one fire extinguisher of twice the required capacity at all

favorable to the Plans as those the Plans could obtain in similar transactions with an unrelated party; (b) any decision by the Plan to enter into the agreements governing the subject purchases have been and will be made by fiduciaries of the Plans who are not related to LCP, the Health Division, or Teamsters Local 670; (c) at least 50% of the preferred provider pharmacies participating in the PPN are and will be unrelated to LCP, the Health Division and any other party in interest with respect to the Plans; (d) the LCP will provide prescription drugs to eligible participants under the identical conditions and for the identical prices as will be the case for any pharmacy participating in the PPN; and (e) the transactions are not part of an agreement, arrangement or understanding designed to benefit a party in interest.

FOR FURTHER INFORMATION CONTACT: Gary H. Lefkowitz of the Department, telephone (202) 693-8546. (This is not a toll-free number.)

General Information

The attention of interested persons is directed to the following:

(1) The fact that a transaction is the subject of an exemption under section 408(a) of the Act and/or section 4975(c)(2) of the Code does not relieve a fiduciary or other party in interest or disqualified person from certain other provisions of the Act and/or the Code, including any prohibited transaction provisions to which the exemption does not apply and the general fiduciary responsibility provisions of section 404 of the Act, which, among other things, require a fiduciary to discharge his duties respecting the plan solely in the interest of the participants and beneficiaries of the plan and in a prudent fashion in accordance with section 404(a)(1)(b) of the Act; nor does it affect the requirement of section 401(a) of the Code that the plan must operate for the exclusive benefit of the employees of the employer maintaining the plan and their beneficiaries;

(2) Before an exemption may be granted under section 408(a) of the Act and/or section 4975(c)(2) of the Code, the Department must find that the exemption is administratively feasible, in the interests of the plan and of its participants and beneficiaries, and protective of the rights of participants and beneficiaries of the plan;

(3) The proposed exemptions, if granted, will be supplemental to, and not in derogation of, any other provisions of the Act and/or the Code, including statutory or administrative exemptions and transitional rules.

Furthermore, the fact that a transaction is subject to an administrative or statutory exemption is not dispositive of whether the transaction is in fact a prohibited transaction; and

(4) The proposed exemptions, if granted, will be subject to the express condition that the material facts and representations contained in each application are true and complete, and that each application accurately describes all material terms of the transaction which is the subject of the exemption.

Signed at Washington, DC, this 6th day of February, 2007.

BILLING CODE 4510-29-P

DEPARTMENT OF LABOR

Employment and Training Administration

Solicitation for Grant Applications (SGA), Grants for Program Year 2006

Announcement Type: New.

Notice of availability of funds and solicitation for grant applications for Women in Apprenticeship and Nontraditional Occupations (WANTO) grants.

Funding Opportunity Number: SGA/DFA-PY-06-01.

Catalog of Federal Domestic Assistance Number: 17.201.

Key Dates: The closing date for receipt of applications is April 16, 2007.

SUMMARY: The Women's Bureau and the Employment and Training Administration's (ETA) Office of Apprenticeship, U.S. Department of Labor (DOL), announce the availability of \$972,180 to establish a grant program for the purpose of assisting employers and labor unions in the placement and retention of women in apprenticeship and nontraditional occupations. This program year 2006 SGA is authorized under the Women in Apprenticeship and Nontraditional Occupations (WANTO) Act of 1992, Pub. L. 102-530, 29 U.S.C. 2501 *et seq.* To that end, the OA and the WB plan to disburse 2006 WANTO grant funds to three community-based organizations (CBOs) including faith-based organizations (FBOs)/registered apprenticeship program (RAP) consortia to conduct innovative projects to improve the recruitment, selection, training, employment, and retention of women in apprenticeships in the construction

industry. Each CBO/RAP consortium must consist of a minimum of: (1) a construction industry Registered Apprenticeship Program sponsor, and (2) a CBO (which may be faith based) with demonstrated experience in securing job training services from established training institutions such as community colleges, and providing placement and support services to women in construction industry jobs.

It is anticipated that awards will be in the amount of approximately \$300,000.

SUPPLEMENTARY INFORMATION: This SGA consists of eleven (11) sections:

- Section I provides the funding opportunity description.
- Section II describes the size and nature of the anticipated awards.
- Section III describes applicant eligibility criteria.
- Section IV outlines the application submission and withdrawal requirements.
- Section V describes the application review information.
- Section VI outlines additional award administration information.
- Section VII lists the Agency Contact.
- Section VIII provides other information, including acronyms and definitions.

I. Funding Opportunity Description

A. Background

The Women in Apprenticeship and Nontraditional Occupations (WANTO) Act of 1992, Pub. L. 102-530 29 U.S.C. 2501 *et seq.* authorizes the U.S. Department of Labor (DOL) to disburse technical assistance grants to promote the recruitment, training, and retention of women in apprenticeship and nontraditional occupations. The Women's Bureau (WB) co-administers the WANTO program with the DOL ETA Office of Apprenticeship (OA). The OA and the WB have the responsibility for implementing this grant process.

B. Purpose

The WANTO Act's purpose is to provide technical assistance to employers and labor unions (E/LU) to encourage employment of women in apprenticeships and nontraditional occupations (A/NTO). One of the means of providing technical assistance is through competitive grants which focus on conducting innovative projects to improve the recruitment, selection, training, employment, and retention of women in apprenticeships in the construction industry. WANTO grants are awarded to community-based organizations (CBOs), which may include faith-based, union-related

organizations and employer-related nonprofit organizations, among others. DOL has found that placement and retention of women in A/NTOs pose significant challenges. For example, on average, only three percent of all newly registered and active apprentices in construction occupations are women. Approximately 75 percent of all registered apprenticeship programs are in the construction industry. Therefore, the Department is focusing this notice on registered apprenticeship opportunities for women in the construction industry. From 1994 to 2002, the DOL funded WANTO grants annually to CBOs and FBOs that delivered technical assistance to employers and labor organizations to prepare them to successfully recruit, train, employ and retain women. The outcomes of these prior WANTO grants consisted largely of training and resource manuals, as well as recruitment videos. Numbers of women placed in registered apprenticeships through WANTO grant activities were lower than expected. Therefore, the FY 2006 WANTO grants are intended to help connect women with the significant employment opportunities available in registered apprenticeship programs in the construction industry. Additionally, to ensure women served by these FY 2006 WANTO grants have access to a full range of supportive services and training, as well as specific employment opportunities, this SGA requires applicants to demonstrate establishment of a consortium consisting of CBOs and RAP sponsors whereby the employers and RAP sponsors will be responsible partners for placing women into their programs. For the purposes of this notice, all apprenticeable occupations in the construction industry meet the definition of NTO.

II. Award Information

A. Grant Awards

The OA and the WB anticipate awarding two-year grants totaling approximately \$300,000 each to up to three CBO/RAP consortia, each consisting of a minimum of one each of: (1) A construction industry RAP sponsor, and (2) a CBO (which may be faith based) with demonstrated experience in securing job training services from established training institutions such as community colleges, and providing placement and support services to women in construction industry jobs. The grants will be funded in increments of \$150,000 for each year. Funding for the second year will be contingent upon

satisfactory progress toward grant requirements for placement of women in registered apprenticeship programs as discussed in Section V.

B. Period of Performance

The period of performance will be up to 24 months from the date of execution of the grant documents. DOL ETA may approve a request for a no cost extension to grantees for an additional period of time based on the success of the project and other relevant factors.

III. Eligibility Information

A. Eligible Applicants

Under this announcement only CBO/RAP consortia, as defined in sections II and VIII of this SGA, may apply for and receive a grant award. This requirement does not prevent the participation of other entities which are integral to the implementation of the project.

IV. Application and Submission Information

A. Address To Request Application Package

Please note that this announcement includes all the information and forms needed to apply for this funding opportunity. Additionally, all application materials will be made available on the following Web sites: <http://www.doleta.gov/sga/> and <http://www.grants.gov>.

B. Content and Form of Application

Each application must include the original signed application and two hard copies. The proposal must consist of two separate and distinct parts: Part A—Financial Proposal; and Part B—Technical Proposal. Both parts must be included in each copy of a complete application. Applications that fail to adhere to the instructions in this section may be deemed non-responsive and may not be considered for funding.

1. Requirements for the Technical Proposal

The technical proposal text is limited to twenty (20) double-spaced, single-sided 8.5 inches by 11 inch pages with 12 point text font and one-inch margins. Pages must be numbered. Only those attachments listed below as "Required Attachments" will be excluded from the page limit. The "Required Attachments" must be affixed as separate, clearly identified appendices to the application. The "Required Attachments" are as follows:

- (a) A Table of Contents, listing the application sections.
- (b) Documentation of applicant eligibility, as described in Part III of this

notice. CBOs should provide proof of their status as a private nonprofit organization as defined under section 101(7) of the Workforce Investment Act of 1998, Pub. L. 105-220, 29 U.S.C. 2801 *et seq.* DOL ETA will verify that RAP sponsors are registered with DOL ETA or a DOL ETA-recognized State Apprenticeship Agency.

(c) A two-page abstract, summarizing the proposed project.

(d) Documentation of its experience, capability, and qualifications for recruiting, training, hiring and retaining women in A/NTOs, as described in Part V, Section A1, "Organizational Overview" of this notice.

(e) An organizational chart, resumes, or key personnel, and complete staffing plans. Resumes of all key staff (e.g., Executive Director, Project Director etc.) must include a description of each individual's roles and responsibilities, his/her current employment status and previous work experience, including position title, duties, dates in position, employing organizations and educational background. Staffing plans must identify all key tasks, the person(s) or days required to complete each task and the percentage of time allocated to the program by individuals assigned to the task, including sub-contractors and consultants.

(f) A list of all items for which grant funds will be expended and what organization will be responsible for each item. Only expenditure items, not cost information, should be included.

(g) The consortium of organizations must include a copy of the consortium agreement and must identify the consortium member that will act as the administrative entity for the project as well as the project lead. No member of a consortium shall make a separate application under this grant program. In addition, the agreement must specify the consortium's arrangements for handling the administrative and financial responsibilities for the program.

Note: Optional attachments will be counted toward the page limitation. Such optional attachments must be limited to meaningful information that contributes to and/or verifies the proposed activities, such as letters of commitment.

2. Requirements for the Cost Proposal

Application for Federal Assistance SF-424. The SF-424 must clearly identify the applicant and be signed by an individual with authority to enter into a grant agreement on behalf of the applicant. Upon confirmation of an award, the individual signing the SF-424 on behalf of the applicant shall represent the responsible entity. All

applications for Federal grant and funding opportunities are required to have a Dun and Bradstreet (DUNS) number. Applicants must supply their DUNS number in item #8 of SF-424. The DUNS number is easy to obtain and there is no charge. To obtain a DUNS number, access <http://www.dnb.com> or call 1-866-705-5711.

Budget Information for SF-424A. Standard Form 424A must contain a detailed cost break-out on each of the expenditures under Section B of the form, including Federal and non-Federal funds. As noted in Section II.A, the budget should be prepared for the first year of the grant. Copies of all required forms along with the instructions for completing the forms are provided at the appendices of this SGA.

Note: The Application for Federal Assistance (SF-424) is available at http://www.grants.gov/techlib/424_20090131.doc and the Budget Information Form (SF-424A) is available at <http://www.doleta.gov/sga/forms/form424a.pdf>.

EEO Survey. Applicants are also required to submit OMB Survey N. 1890-0014: Survey on Ensuring Equal Opportunity for Applicants, which can be found at <http://www.doleta.gov/sga/forms.cfm>.

Cost Categories. Expenditures must fall under one of two cost categories: Administrative, which is to be divided between headquarters and local; and Program Costs, which includes wages, fringe benefits, and other participant costs.

Transition and Training Costs. Applicants are required to provide a line item for transition costs (i.e., start-up [costs], participant transfers, year-end closeout), as well as for sufficient training costs for local staff that may be required by the DOL ETA throughout the program year. Procurement procedures must comply with OMB Circular A-122, Cost Principles for Non-Profit Organizations, and any additional Federal cost principles, as applicable.

Applicants are to include in their cost proposal the cost of any requested travel to Washington, DC.

C. Submission Dates, Times and Addresses

Applications may be submitted in either method described below, and must be received no later than 4:45 p.m., Eastern Time on the closing date. The application will not be considered if an applicant fails to adhere to the submission instructions below.

Electronic Submissions. The Department requests that applicants apply online at <http://www.grants.gov>. The Department strongly recommends

that applicants immediately initiate and complete the "Get Started" steps to register with www.grants.gov at <http://www.grants.gov/GetStarted>. Please note that these steps could take several days to complete, and this time should be factored into plans for electronic application submission in order to avoid facing unexpected delays that could result in the rejection of an application. Documents should be saved as .doc or .pdf prior to electronic submission through [grants.gov](http://www.grants.gov).

U.S. Postal Mail and Overnight Submissions. Submit one (1) blue-ink signed, typewritten original of the application, and two (2) signed photocopies in one package to: U.S. Department of Labor, Employment and Training Administration, Attention: James Stockton, Mail Stop: N-4716, 200 Constitution Avenue, NW., Washington, DC 20210.

Other Methods of Submission.

Applications submitted by email, telegram, or facsimile will not be accepted.

Late Applications. Any application received after the closing date will not be considered, unless it is received before awards are made and:

(a) It was sent by U.S. Postal Service registered or certified mail no later than the fifth calendar day before the closing date (e.g., an application required by the 20th of the month must be postmarked by the 15th of that month); or

(b) It was sent by U.S. Postal Service Express Mail/Next Day Service from the post office to the addressee no later than 4:45 p.m. at the place of mailing, two (2) working days (excluding weekends and Federal holidays and days when the Federal Government is closed), prior to the closing date; or

(c) It is determined by the Government that the late receipt was due solely to the mishandling by the Federal Government after receipt at the U.S. Department of Labor at the address indicated.

Acceptable Evidence for Late Applications. The only acceptable evidence to establish the date of mailing of a late application sent by registered or certified mail is the U.S. Postal Service postmark on the envelope or wrapper and on the original receipt from the U.S. Postal Service. If the postmark is not legible, an application received after the closing date and time shall be considered, as if mailed late.

The only acceptable evidence to establish the date of mailing of a late application sent by U.S. Postal Service Express Mail/Next Day Service from the post office to the addressee is the date entered by the Post Office receiving clerk on the "Express Mail/Next Day

Service—Post Office to Addressee" label, and the postmark on the envelope or wrapper on the original receipt from the U.S. Postal Service.

"Postmarked" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable, with further action, as having been supplied or affixed on the date of mailing by an employee of the U.S. Postal Service. Therefore, applicants should request the postal clerk to place a legible hand cancellation, "bull's eye," postmark on both the receipt and the envelope or wrapper.

Mail Advisory in the DC Area. All applicants are advised that U.S. mail delivery in the Washington, DC area is erratic. Packages addressed to the U.S. Department of Labor are subject to radiation screening before delivery. All applicants must take this into consideration when preparing to meet the application closing date, as each applicant assumes the risk for ensuring a timely submission of its application. The Department recommends that applicants confirm receipt of their applications by contacting James Stockton, U.S. Department of Labor, Employment and Training Administration, Office of Grants and Contract Management, telephone (202) 693-3335 before the closing date. This is not a toll-free number.

Applications may be withdrawn by written notice or telegram (including mailgram) at any time before the Department makes an award. An applicant may withdraw its submissions in person by the applicant or through an authorized representative of the applicant if: (1) The applicant makes the representative's identity known to the Grant Officer, and (2) the representative signs a receipt when he or she receives the withdrawn application.

D. Funding Restrictions

Administrative Costs. The primary use of grant funds should be to support the actual project. Therefore, applicants receiving grant funds under this solicitation may not use more than 10 percent of the amount requested for Administrative costs associated with the project. Administrative costs are defined at 20 CFR 667.220.

Indirect Cost Rate. An indirect cost rate is required when an organization operates under more than one grant or other activity whether federally-assisted or not. Organizations must use the indirect cost rate supplied by the cognizant Federal agency. If an organization requires a new indirect cost rate or has a pending indirect cost

rate, the Grant Officer will award a billing rate for 90 days until a provisional rate can be issued.

Allowable Costs. The Department shall determine what constitutes allowable costs in accordance with the following Federal cost principles, as applicable: (1) State and Local Government—OMB Circular A–87; (2) Educational Institutions—OMB Circular A–21; (3) Nonprofit Organizations—OMB Circular A–122; and (4) Profit-making Commercial Firms—48 CFR part 31.

Legal rules pertaining to inherently religious activities by organizations that receive Federal financial assistance. The government is generally prohibited from providing direct Federal financial assistance for inherently religious activities. See 29 CFR part 2, subpart D. Grants under this solicitation may not be used for religious instruction, worship, prayer, proselytizing, or other inherently religious activities. Neutral, non-religious criteria that neither favor nor disfavor religion will be employed in the selection of grant recipients and must be employed by grantees in the selection of sub-recipients.

V. Application Review Information

A. Evaluation Criteria

All applicants are required to use the rating criteria format when developing their proposals. The technical panel will review grant applications against the criteria listed below. Up to 135 points may be awarded to an application. This total is based on up to 100 points for the required information described in A.1, 2, and 3 below, and up to 35 bonus points for special program emphasis described in A.4 below. In order to receive full credit, applicants must provide quality information that does more than reiterate the requirement statement or merely state how it will be accomplished. Therefore, responses must be thoughtful and reflect a strategic vision for how these requirements will be achieved. In addition, an applicant that describes only what has been accomplished in the past but lacks full description what it will be doing during the grant period will not receive credit for the response.

Points Summary:

1. Organizational Overview—20 points.
2. Placement of Women in Registered Apprenticeship Programs—30 points.
3. Scope of WANTO Project and Projected Outcomes—50 points.
4. Bonus—35 points.
 - a. Incorporation of more than one RAP in the consortium—10 points.

- b. Incorporation of more than one construction industry discipline in the RAP partners—5 points.

- c. Incorporation of multiple geographic areas into the consortium—10 points.

- d. Incorporation of Technology-Based Learning into the project to support/facilitate participant's training and preparation for apprenticeship—10 points. See Section VIII for a definition and examples of Technology-Based Learning.

1. Organizational Overview (Up to 20 Points)

The applicant must demonstrate its experience, capability and qualifications for administering a grant project. To be considered fully responsive, the applicant must address all of the following:

- (a) Describe the consortium members' experience and leadership for the purpose of recruiting, selecting, training, placing and retaining women in apprenticeships in the construction industry.

- (b) The applicant must describe how the management structure and staffing of the organization are aligned with the grant requirements, vision, and goals; and how the structure and staffing are designed to assure responsible general management of the organization.

- (c) Identify all key tasks, the hours required for the completion of such tasks, and the persons responsible for completing each task.

- (d) Indicate if tradeswomen or women in nontraditional occupations serve as active members of the consortium members, as either employed staff or as board members.

- (e) Where applicable, differentiate between the applicant consortium and any proposed consultants or subcontractors, providing information on each of the above.

2. Placement of Women in Registered Apprenticeship Programs (Up to 30 Points)

The consortium must demonstrate how it will place 100 women in RAP(s) each year of the grant. For full credit under this element, the applicant must provide detailed information for the following:

- (1) Strategies for identifying the occupations in which RAP(s) plan to train and employ women; (2) a description of the types of construction apprenticeable occupations in which the RAP(s) plans to train and employ women; (3) the number of apprentices registered by the RAP(s) per year for the last five years; and (4) assurances that there are or will be suitable and

appropriate positions available in the construction industry RAP(s)

3. Scope of WANTO Project and Projected Outcomes (Up to 50 Points)

The applicant must demonstrate comprehensive, targeted, and effective technical assistance to be provided to the RAP(s) with WANTO funding. The OA and the WB consider the successful placement of 100 women in construction industry apprenticeships the primary successful outcome a grantee can achieve with WANTO funding.

To be considered fully responsive, the applicant must:

- (a) Provide in detail the types of technical assistance (TA) that will be provided to the RAP(s). Examples of such TA include: (1) Outreach strategies and orientation sessions to recruit women into the RAP(s) occupations and specific openings in RAP(s); (2) pre-apprentice occupational skills training to prepare women for apprenticeship, including English as a Second Language instruction; (3) ongoing orientations for the RAP(s) and workers on creating a successful environment for women in apprenticeship; (4) support groups and facilitating networks for women in apprenticeship, on or off the job site, to improve their retention; (5) liaison services between tradeswomen and the RAP(s) to address workplace issues related to gender; and (6) conducting exit interviews with tradeswomen to evaluate their on-the-job experience and to assess the effectiveness of the program.

- (b) Document any leveraged resources or funding anticipated for the accomplishment of the proposed project and a description of how the funds will be used.

- (c) Describe the outcomes the applicant anticipates as a result of WANTO funding. This must include the number of women to be placed in: (1) pre-apprenticeships, and (2) apprenticeships.

4. Bonus Points (Up to 35 Points)

Bonus points will be awarded for proposals that demonstrate experience or indicate their plans to provide one or more of the following:

- a. Incorporation of more than one RAP in the consortium. (10 points).
- b. Incorporation of more than one construction industry discipline in the RAP partners. (5 points).
- c. Inclusion of multiple geographical areas into the consortium. (10 points).
- d. Incorporation of Technology-Based Learning into to support and facilitate the project participant's training and

preparation for apprenticeship. (10 points).

B. Review and Selection Process

Selection Process. The Grant Officer will organize evaluation panels to review and evaluate the applications, using the point scoring system and Rating Criteria format specified in Section A above. The Grant Officer will rank applications based on the score assigned by the panels through the evaluation process. The ranking will be the primary basis used to identify applicants as potential grantees; however, the review panel's recommendations are advisory in nature and not binding on the Grant Officer. The Government will consider applications rated by the evaluation panels with a score of 80 or above to be eligible for a grant award. Applicants that score less than 80 will not be eligible for a grant award.

Other Evaluation Factors. The submission of a successful previous application for a WANTO grant from any prior year does not guarantee an award under this solicitation. Final awards will be made based on the best interests of the Federal Government, including, but not limited to, such factors as technical quality, geographic balance, occupational and/or industrial impact, availability of funds, uniqueness of project and past grant performance. A previous grantee's failure to complete a WANTO grant project within the grant award period, or failure to provide required reports in a timely manner are aspects of past grant performance that may result in denial of a 2006 grant. The Federal Government reserves the right to ask for clarification or hold discussion, but may elect to award a grant without such discussion. Should a grant be awarded without discussions, the award will be based on the applicant's signature on the SF 424, which constitutes a binding offer by the applicant. The Grant Officer's determination of award under this SGA is the final agency action.

VI. Additional Award Administration Information

A. Award Notices

All award notifications will be posted on ETA Homepage (<http://www.doleta.gov>). The Grant Officer expects to announce the results of this competition approximately sixty days after the closing date for receipt of applications.

B. Administrative and National Policy Requirements

1. Administrative Program Requirements

All grantees, including faith-based organizations will be subject to all applicable Federal laws (available at <http://thomas.loc.gov>), regulations (available at <http://gpoaccess.gov/cfr>) and the applicable Office of Management and Budget (OMB) Circulars (available at <http://www.whitehouse.gov/omb/circulars>). The grants awarded under this SGA will be subject to administrative standards and provisions as applicable, including but not limited to, the following:

- All Grant Recipients—20 Code of Federal Regulations (CFR) Part 667.220 (Administrative Costs).
- Non-Profit Organizations—OMB Circulars A-122 (Cost Principles) and 29 CFR Part 95 (Administrative Requirements).
- Educational Institutions—OMB Circulars A-21 (Cost Principles) and 29 CFR Part 95 (Administrative Requirements).
- All entities must comply with 29 CFR Parts 37, 93, and 98, and where applicable 29 CFR Parts 96 and 99.

2. Administrative Standards and Provisions

Except as specifically provided, DOL ETA acceptance of a proposal and an award of Federal funds to sponsor any program(s) does not provide a waiver of any grant requirements and/or procedures. For example, the OMB Grants Management circulars require, and an entity's procurement procedures must require, that all procurement transactions will be conducted, as practical, to provide full and open competition. If a proposal identifies a specific entity to provide the services, the DOL ETA award does not provide the justification or basis to sole-source the procurement, i.e., avoid competition.

C. Reporting

The grantee is required to provide the reports and documentation listed below.

Quarterly Financial Reports. A Quarterly Financial Status Report (SF 269) is required until such time as all funds have been expended or the grant period has expired. Quarterly reports are due 30 days after the end of each calendar year quarter. Grantees must use DOL ETA's On-Line Electronic Reporting System.

Quarterly Progress Reports. The grantee must submit a quarterly progress report to the designated Federal Project Officer within 30 days after the end of

each calendar year quarter. Two copies are to be submitted providing a detailed account of activities undertaken during that quarter. DOL ETA may require additional data elements to be collected and reported on either a regular basis or special request basis. Grantees must agree to meet DOL ETA reporting requirements. The quarterly progress report should be in narrative form and should include:

(a) A comparison of actual accomplishments with the goals and objectives established for the period. This must include discussion of placements in pre-apprenticeship programs, apprenticeships and nontraditional jobs, giving the name and address of each workplace and company involved; and TA provided to RAP(s) as well as the nature of the TA provided.

(b) Reasons why established goals were not met, if appropriate.

(c) Any problems that may impede the performance of the grant and the proposed corrective action.

(d) Any changes in the proposed work to be performed during the next reporting period.

In addition, between scheduled reporting dates, the grantee(s) shall immediately inform the OA and the WB of significant developments affecting the ability to accomplish the work.

Final Report. No later than 90 days after the expiration of the grant award, the grantee(s) shall submit two copies of the camera-ready final report, each bound in a professional manner in a loose-leaf notebook. These materials must be paid for with grant funds. Instructions for the final report will be issued and may include performance data, outcome results, an assessment of the grant project, any employer or labor organization plans for follow-up of participants, and Executive Summary of no more than three (3) pages. Upon request of either the OA and the WB or the grantee, the grantee shall submit a draft final report no more than 60 days after to the expiration date of the grant. The OA and the WB will then review the draft report, and provide written comments to the grantee within 15 days of receipt.

VII. Agency Contacts

For further information regarding this SGA, please contact James Stockton, Grant Officer of the Division of Federal Assistance, at (202) 693-3335. This is not a toll-free number. Applicants may fax questions about the program or information in this SGA to (202) 693-2879 and must specifically address the fax to James Stockton and should include SGA/DFA PY-06-01, a contact name, fax and phone number, and an e-

mail address. The mailing address is: U.S. Department of Labor, Employment and Training Administration, Attention: James Stockton, Room N-4716, 200 Constitution Avenue, NW., Washington, DC 20210.

VIII. Other Information

A. Questions About the Program or SGA

Questions and responses submitted to the Grant Officer regarding this SGA will be posted on the Employment and Training Administration Web site at <http://www.doleta.gov/grants>. Questions will be received for one month after publication only. DOL ETA will not respond to duplicate questions or questions that are not within the scope of this SGA. Please do not direct questions to the OA or the WB.

B. Post Grant Award Conference

No later than eight (8) weeks after an award, the grantees shall meet with the OA and the WB at the Post-Award Conference to discuss the project, related components and TA; timelines; technical assistance outcomes; assessment for comment; and final approval. The grantees, the OA and the WB will discuss and make decisions on the following program activities:

1. The proposed TA commitments for registered apprenticeship, and related skilled nontraditional occupation activities and responsibilities; the number of targeted RAP(s); and the number of women who will become placed in a registered apprenticeship program.
2. The methodology the proposed partnership will use to support/change management and employee attitudes to promote female workers in A/NTO.
3. The types of systemic change anticipated by the TA strategies that will be incorporated into ongoing employer recruitment, hiring, training, and promotion of women in A/NTO.
4. The occupational, industrial, and geographical impact anticipated.
5. The supportive services to be provided to employers and women after successful placement into A/NTO.

The OA and the WB will provide further input orally or in writing, if necessary, within ten (10) working days after the Post-Award Conference.

C. Grant Plan of Action

If revisions have been necessary, no later than ten (10) weeks after an award, the grantees and the OA and the WB will confirm the "plan of action" and detailed time-line for program implementation.

D. Grant Implementation

No later than twelve (12) weeks after an award, the grantee(s) shall have begun to recruit, select, train, place, retain, and otherwise prepare women for registered apprenticeships in the construction industry, with progress to be measured in terms of placement and retention in registered apprenticeships.

E. Veterans Priority

The Jobs for Veterans Act (Pub. L. 107-288) provides priority of service to veterans and spouses of certain veterans for the receipt of employment, training, and placement services in any job training program directly funded, in whole or in part, by the U.S. Department of Labor. In circumstances where WANTO grant recipient must choose between two equally qualified candidates for training, one of whom is a veteran, the Jobs for Veterans Act requires that WANTO grant recipients give the veteran priority of service by admitting him or her into the program. Please note that, to obtain priority of service, a veteran must meet the program's eligibility requirement. ETA Training and Employment Guidance Letter (TEGL) No. 5-03 (September 16, 2003) provides guidance on the scope of the Jobs for Veterans Act and its effect on current employment and training programs. TEGL No. 5-03, along with additional guidance, is available at the "Jobs for Veterans Priority of Service" Web site (<http://www.doleta.gov/programs/vets>).

F. Acronyms and Definitions

The following terms are defined for the convenience of prospective applicants:

WANTO refers to Women in Apprenticeship and Nontraditional Occupations.

A/NTO refers to apprenticeship and nontraditional occupations.

E/LU refers to employers and labor unions.

OA refers to the Office of Apprenticeship, U.S. Department of Labor, Employment and Training Administration.

WB refers to the Women's Bureau, U.S. Department of Labor.

TA refers to technical assistance.

NTO (Nontraditional Occupations) are those where women account for less than 25 percent of all persons employed in a single occupational group. For the most recent listing of nontraditional jobs, see the WB Web site at <http://www.dol.gov/wb/stats/main.htm>.

RAP refers to Registered Apprenticeship Program.

Pre-Apprenticeship Programs are those programs that prepare individuals

for registered apprenticeship. Depending on the apprenticeable occupation for which the program is preparing students, the curriculum would vary. For example, a curriculum for a construction industry occupation may include pre-vocational identification and use of tools, blueprint reading, basic shop skills, safety procedures, math skills, and physical conditioning. English as a Second Language and team-building skills might also be included.

Registered Apprenticeship is a formal employment relationship designed to promote skill training and learning on the job. "Hands on" learning takes place in conjunction with related theoretical instruction (often in a classroom setting). An apprentice who successfully completes an OA registered program, which usually requires 3 to 5 years, is awarded a certificate of completion of apprenticeship. An OA registered program is one in which employers, or groups of employers, and unions design, organize, manage, and finance apprenticeship programs under the standards developed and registered with OA or an OA-recognized State Apprenticeship Agency. Employers, or groups of employers, and unions also select apprentices who are trained to meet certain predetermined occupational standards. For more information, see the OA Web site at <http://www.doleta.gov/oa/>.

CBO (Community-Based Organization) is a private nonprofit organization, which may be faith-based, that is representative of a community or a significant segment of a community, and which provides job-training services and has demonstrated experience administering programs that train women for A/NTO. (A CBO, as defined in the WANTO Act, means a "community-based organization as defined in section 101(7) of the Workforce Investment Act of 1998 (29 U.S.C. 2801 (7)), that has demonstrated experience administering programs that train women for apprenticeable occupations or other nontraditional occupations." WIA states, "The term 'community-based organizations' means 'private nonprofit organizations which are representative of communities or significant segments of communities and which provide job training services.'" The WIA definition provides examples of organizations which meet the definition, including "union-related organizations" and "employer-related nonprofit organizations.")

Consortium refers to a group formed to undertake a project.

CBO/RAP Consortium refers to a group consisting of a minimum of: (1) A

construction industry registered apprenticeship program (RAP) sponsor; and (2) a CBO (which may be faith based) with demonstrated experience in securing job training services from established training institutions such as community colleges, and providing placement and support services to women in construction industry jobs.

Technology-Based Learning (TBL) can be defined as the learning of content via all-electronic technology, including the Internet, intranets, satellite broadcasts, audio and video tape, video and audio conference, Internet conferencing, chat rooms, bulletin boards, web casts, computer-based instruction, and CD-ROM. It encompasses related terms, such as online learning, Web-based learning, computer-based learning, and e-learning.

Signed at Washington, DC, this 6th day of February 2007.

Report on Countries That Are Candidates for Millennium Challenge Account Eligibility for Fiscal Year 2007 and Countries That Would Be Candidates but for Legal Prohibitions—Update

Summary

MCC is providing an update to the report originally submitted on August

11, 2006, as updated on October 18, 2006, to reflect a change in the statutory eligibility status of candidate countries. This report to Congress is provided in accordance with section 608(a) of the Millennium Challenge Act of 2003, 22 U.S.C. 7701, 7707 (a) (“Act”).

The Act authorizes the provision of Millennium Challenge Account (“MCA”) assistance to countries that enter into compacts with the United States to support policies and programs that advance the progress of such countries toward achieving lasting economic growth and poverty reduction. The Act requires the Millennium Challenge Corporation (“MCC”) to take a number of steps in determining the countries that will be eligible for MCA assistance for fiscal year (FY) 2007, based on their demonstrated commitment to just and democratic governance, economic freedom, and investing in their people, and the opportunity to reduce poverty and generate economic growth in the country. These steps include the submission of reports to the congressional committees specified in the Act and the publication of notices in the **Federal Register** that identify:

1. The countries that are “candidate countries” for MCA assistance for FY 2007 based on their per capita income levels and their eligibility to receive assistance under U.S. law and countries that would be candidate countries but for specified legal prohibitions on assistance (section 608(a) of the Act);

2. The criteria and methodology that the MCC Board of Directors (“Board”) will use to measure and evaluate the relative policy performance of the “candidate countries” consistent with the requirements of subsections (a) and (b) of section 607 of the Act in order to select “MCA eligible countries” from among the “candidate countries” (section 608(b) of the Act); and

3. The list of countries determined by the Board to be “MCA eligible countries” for FY 2007, with a justification for such eligibility determination and selection for compact negotiation, including which of the MCA eligible countries the Board will seek to enter into MCA Compacts (section 608(d) of the Act).

This report is the first of three required reports listed above.

Candidate Countries for FY 2007

The Act requires the identification of all countries that are candidates for MCA assistance for FY 2007 and the identification of all countries that would be candidate countries but for specified legal prohibitions on assistance. Sections 606(a) and (b) of the Act

provide that for FY 2007 a country shall be a candidate for the MCA if it:

- Meets one of the following two income level tests:
- Has a per capita income equal to or less than the historical ceiling of the International Development Association eligibility for the fiscal year involved (or \$1,675 gross national income (GNI) per capita for FY 2007) (the “low income category”); or
- Is classified as a lower middle income country in the then-most recent edition of the World Development Report for Reconstruction and Development published by the International Bank for Reconstruction and Development and has an income greater than the historical ceiling for International Development Association eligibility for the fiscal year involved (or \$1,676 to \$3,465 GNI per capita for FY 2007) (the “lower middle income category”); and
- Is not ineligible to receive U.S.

economic assistance under part I of the Foreign Assistance Act of 1961, as amended (“Foreign Assistance Act”), by reason of the application of the Foreign Assistance Act or any other provision of law.

Pursuant to section 606(c) of the Act, the Board has identified the following countries as candidate countries under the Act for FY 2007. In so doing, the Board has anticipated that prohibitions against assistance as applied to countries in the Foreign Operations, Export Financing, and Related Programs Appropriations Act, 2006 (Pub. L. 109-102) (FY 2006 FOAA) will again apply for FY 2007, even though the Foreign Operations, Export Financing and Related Programs Appropriations Act for FY 2007 has not yet been enacted and certain findings under other statutes have not yet been made. As noted below, MCC will provide any required updates on subsequent changes in applicable legislation or other circumstances that affects the status of any country as a candidate country for FY 2007.

Candidate Countries: Low Income Category

1. Afghanistan
2. Angola
3. Armenia
4. Azerbaijan
5. Bangladesh
6. Benin
7. Bhutan
8. Bolivia
9. Burkina Faso
10. Burundi
11. Cameroon
12. Central African Republic
13. Chad
